Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Friday 24 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A fine start, but turning cloudier from the west.

Today:
Any fog or low cloud will clear during the morning to leave a largely dry day with some sunny spells. Becoming cloudy with some patchy light rain or drizzle across Cornwall during the afternoon. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Tonight:
Staying cloudy in the west with some fog over hills and along windward coasts. Clearer skies to the east where some patches of fog will form through the early hours. Minimum temperature 11 deg C (52 deg F).

Saturday:
A cloudy start with any fog patches in the east clearing through the morning. Remaining dry but rather cloudy into the afternoon, but sunny skies developing in the south later. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Mostly dry with sunny spells on Sunday, but turning windy later with rain arriving overnight. Further showers for Monday and Tuesday these heavy at times.
